Digital Marketing Solutions

A customer is the most important visitor on our premises,
he is not dependent on us. We are dependent on him.
He is not an interruption in our work. He is the purpose of it.
He is not outsider in our Business. He is part of it.
We are not doing him a favor by serving him.
He is doing us a favor by giving us an opportunity to do so.

Why Us

“Reasons to Choose Us”

At Pertinax Solutions, we design the root of success with our excellent services and expertise team. Strong ethics, commitment to serve the best and thrive for perfection leads our way to success and glory. With these values, we offer end-to-end e-marketing solution that includes every possible media publicity options.

We offer exclusive services at an attractive price and all our packages are priced according to their added elements. Our strong analysis and strategy building makes us different from others and that is what bring success for us.

We have largest contact data set that helps us make your campaigns reach to maximum possible clients. All our clients get detailed performance report from us which help them to decide the next step of e-marketing campaign.

Our e-marketing services are comprised of all the tools that can increase your online visibility and business scopes. We understand importance of your investment and thus we start campaign after thorough market analysis.

Our e-marketing solution services assure maximum customer reach as we have a large set of contact data for potential customers. We not only offer e-marketing service but we also offer website designing services. We also offer social media campaign that covers all the social media platforms. Our campaign process starts from detailed web analysis that helps us to build a strong campaign strategy.
